### **High Quality Bulbs**

We grow the best varieties and use new soil each year. Our equipment is excellent for the handling of bulbs, and we have just completed a large new addition to our already commodious bulb house. We have many fine new originations of our own which have also contributed largely to our success in winning the Grand Sweepstakes Gold Cup of the N. W. Regional Gladiolus Show for most points, the Sweepstakes Silver Cup for best spike, first for best general exhibit and first for best new seedling, all for three years straight.
